Our Commitment

Jetz Netball Club (JNC) is a not-for-profit organisation within the southern suburbs of Perth Western Australia. Our club is a netball club catering for players aged 7 – adult. We play as an affiliated club with Netball WA within the Southern Districts Netball Association.

Our fees are paramount to what we can offer our players; we aim to provide coaching, safe up to date equipment, development for coaches, players and umpires, end of season presentation event etc.

Registration

- Online registrations will open in December/January and close in February
- Late registrations will form a pre-season waitlist and if there are positions in existing teams or coaches available to take additional teams, the club will try and facilitate the late submission of teams. It is at the discretion of the Grading and Team Selection Sub Committee, given our associations may not facilitate our requests.
- The teams within an age group are dependent upon coaches and if there is no coach then there is no guarantee that there will be a team available.
- If there is no position on a team, then the player will be notified and placed on the wait list.
 - At this point any fees paid will be refunded.
 - Players are welcome to try and register at another club.
- Registrations are first in first served and will be recorded as such.
- It is the members' responsibility to contact the Registrar if they have any issues regarding registration or need to organise registration outside of the dates set aside.
- Registration is to be completed online through PlayHQ and fees to paid at this time.

Payment of Fees

All queries regarding fees are to be directed to the Club Treasurer.

Fees are reviewed and set each year and are based upon the following factors –

The balance remains with JNC for costs at club level such as equipment, umpiring, coach, player development, and trophies. There is currently no Fundraising Levy included in the fee structure and any fundraising conducted by the club is in addition to funds received as fees. These funds are used to continue to provide our players and members opportunities at club level and contribute to funding the end of season windup
